The men compete in basketball, baseball, soccer, cross country and indoor and outdoor track and field. HBU returned to the NCAA Division I ranks in 2007 after 18 years as a member of the National Association of Intercollegiate Athletics (NAIA) and nine years as the dominant team in the Red River Athletic Conference. While competing in the RRAC, the Huskies won the coveted All-Sports trophy eight times. HBU was a national presence at the NAIA level with each team perennially ranked among the nation's Top 25. The move back to the NCAA Division I ranks has generated campus-wide excitement. Admission to all of the Huskies' home athletic events is free to currently enrolled HBU students with a valid, current student ID. You are encouraged to attend and continue to support the great tradition of Houston Baptist University athletics. For more information or to obtain a media guide for a team, visit the Athletics Office, located in Sharp Gym, call 281-649-3205 or visit the website at [www.hbuhuskies.com](http://www.hbuhuskies.com).

# Spiritual Life Department

*In fulfilling the Spiritual Life Mission Statement we seek to foster Christian community life and worship by creating experiences for students, faculty, and staff in spiritual formation that will support the integration of faith and learning.*

The theme for 2008-2009 is “The Disciplined Life.” Our theme verse is “*At the time, discipline isn’t much fun ... (but) it’s the well-trained who will find themselves mature in their relationship with God.*” — *Hebrews 12:11 (The Message)*

The Spiritual Life Department includes the Community Life and Worship Program, Student Ministries, and ACTS. The Spiritual Life offices are located above the bookstore in the M.D. Anderson Student Center. To reach the Spiritual Life staff, call 281-649-3117 or visit the Spiritual Life Office.

# **Missions and Mission Learning Opportunities**

Annual mission learning opportunities are co-sponsored by Student Ministries and ACTS. These opportunities provide academic, cross-cultural, hands-on experiences to prepare students for missions. In partnership with Living Water International, students and staff travel to Leon, Nicaragua, to drill water wells and work with the children of area villages. Students may also participate in an annual inner-city, Urban Plunge experience working with the homeless and at-risk youth across the country. Both of these opportunities are offered during Spring Break. Students have gone to New York City to help paint inner-city school buildings, to Kenya, Africa, to work alongside Food For The Hungry in an orphanage/school, and to Athens, Greece, to work with Albanian refugees. Stop by the ACTS office to learn about Mission Learning Opportunities for this year.

## **University Chaplain**

The Director of Spiritual Life/University Chaplain office is located above the bookstore in the M.D. Anderson Student Center. In order to reach the chaplain, you may call the Spiritual Life Office at 281-649-3117 or e-mail [ccross@hbu.edu](mailto:ccross@hbu.edu).

- Failure to schedule a walk-through indicates an agreement to accept assessment of damages and charges upon inspection by the Housing Office staff.
- The final determination of damages will be made by management staff who may not inspect your room or apartment until after you have moved out.

## **Residence Life Visitation Policies**

Visitation policies have been established in each Housing Area in order to create a healthy, safe living environment for all residents.

**Chronic Misbehavior** — A student establishes an unacceptable pattern of misconduct when he or she is frequently in trouble, though individual offenses might be minor. A pattern of recalcitrance, irresponsible conduct, or manifest immaturity may be interpreted as a significant disciplinary problem.

**Drugs & Illegal Substances** — Use, possession, and/or distribution of drugs and/or illegal substances is strictly prohibited and may result in eviction from campus and referral to the University discipline officer and/or law enforcement agencies. This includes possession of any drug paraphernalia.

**Failure to Comply** — Students must comply with all written and verbal requests and instructions from University officials. This includes requests to produce valid identification. Failure to comply may result in disciplinary action and/or fine.

**Firearms/Weapons** — Firearms and other weapons are not allowed on the property. All students and their guests must comply with all federal, state, local and University laws and regulations pertaining to all weapons including, without limitation, explosives, bows and arrows, illegal knives, martial arts weapons, air rifles, BB guns, or any other object that can be construed as a weapon.

**Implied Consent** — All students in a room/area will be held responsible for their behavior/objects in that room or area. In addition, residents who are not observed participating in misbehavior or in possession of inappropriate items/objects, but are in the presence of a policy violation, can be held responsible. This is called “Implied Consent.” If a resident is not present, he/she will be held

responsible unless it can be clearly demonstrated that he/she had no knowledge of the violation.

**Loss of Property** — The University assumes no responsibility for damages and/or loss of personal property due to theft, fire, destruction, acts of God, etc. Students are advised to check with their parents/guardians regarding their insurance coverage. Students are encouraged to get renters' insurance or contact the HBU Housing Office for details. Students are reminded that any belongings left in Campus Housing after moving out will be disposed of by the University.

**Minor Children** — Residents are required to supervise at all times any guests on the property who are minor children. Babysitting is not permitted in any on-campus housing. Guests under the age of 16 are not allowed to stay overnight.

**Noise Policy** — Residents and their guests must respect the rights of others at all times by behaving in a manner that is conducive to sleeping and studying. High volume sounds from home and car stereos, televisions, electrical instruments, and such are not permitted. Residents are expected to show consideration and courtesy to others at all times.

**Quiet Hours** — In order to meet the many requests of resident students for a better living and learning environment on campus, the hours between 10:00 p.m. to 10:00 a.m. have been set aside as quiet hours for residents to relax, study, and sleep.

**Posting** — All signs and posters must be pre-approved by the HBU Student Life office before being posted. If approved, posters, signs, and other items should only be posted in designated areas.

**Roommate & Neighbor Conflict Resolution** — All residents agree to abide by the following process:

- a. The complaining resident will discuss the problem with an RA/RD; the staff will give tips on how to talk with the roommate/neighbor; the complaining resident will address the concern directly with the roommate/neighbor.
- b. HBU staff will follow up with the complaining resident. If the problem remains, a resolution meeting will be held among roommates/neighbors and staff. A roommate/neighbor contract may be formulated to help arrive at resolution.

## AIDS

AIDS is an acronym for Acquired Immunodeficiency Syndrome and is a disease caused by a virus that breaks down part of the body's immune system, impairing a person's natural defenses against a variety of illnesses, many life-threatening. HIV is a medical term for the virus that breaks down the body's immune system. HIV is found in many body fluids and secretions of people who are infected, but respected medical authorities have determined that its transmission is solely through blood, semen, and female genital secretions. Current medical knowledge indicates that students and employees with HIV infection do not pose a health risk to other students and employees in an academic setting. The Public Health Service states that there is no risk created by living in the same place as an infected person, casual kissing, or swimming in the same pool with an infected person.

There is as yet neither a vaccine to prevent HIV infection nor curative therapy for infected persons. Even though knowledge about limiting the consequences of established HIV infection is meager, what is presently known should be communicated through education consistent with the morals espoused by a Christian institution.

## **Policies Regarding HIV/AIDS**

1. **Individual Rights** - The individual rights of all people in the Houston Baptist University Community shall be safeguarded. Therefore, a) the uninfected should be protected from undue risk of exposure to the disease, b) the infected should be protected against prejudice and denial of the reasonable opportunity for an education at the University, and c) the University condemns any and all actions of physical or emotional harassment toward the infected or those suspected of infection.
2. **Policy Implementation** - As stated above, current medical knowledge indicates that people with HIV infection do not pose a health risk to others in an academic setting. Therefore, until medical knowledge indicates a contrary conclusion, or unless health regulations or other laws require a different response, the policy of Houston Baptist University will conform to the following:
  - Admissions - No otherwise qualified individual will, solely by reason of his or her HIV/AIDS status, be denied admission to the University.
  - Attendance - Students with HIV/AIDS may attend regular classroom sessions. The University reserves the right to restrict a student on a case-by-case basis if a student has a contagious disease (including those associated with or arising from AIDS) or if the individual's behavior is disruptive or endangers the safety of health of other persons. Departments will establish safety guidelines for the handling of blood and bodily fluids

in classroom settings in which analysis of these substances may be a part of the coursework, such as in nursing or biology classes.

expressed purpose of moving students towards personal maturity and creating an environment that is conducive to academic learning, personal development, and spiritual growth.

The Student Discipline System is an educational process, not a legal proceeding. The disciplinary process always attempts to confront misconduct in an educative posture that the student might learn from the experience, respond to the correction, and be reconciled to the community whenever possible. The disciplinary system provides University personnel opportunities to educate students and to help them attain better decision-making, character formation, and spiritual maturity. The effectiveness of these *teachable moments* requires that each student be treated with equal care, concern, honor, fairness, and dignity.

## **B. Biblical Principles**

It is our natural inclination as human beings to resist discipline and accountability, but the Bible admonishes its reader to embrace them both as beneficial and an essential attribute of a Christian community. The following scriptures are among only a few that speak on this topic:

*My children, do not despise the Lord's discipline and do not resent his rebuke, because the Lord disciplines those he loves, as a father the child he delights in. Proverbs 3:11-12*

*Do not make light of the Lord's discipline, and do not lose heart when he rebukes you, because the Lord disciplines those he loves, and he punishes everyone he accepts as a son. Hebrews 12:5-6*

*No discipline seems pleasant at the time, but painful. Later on, however, it produces a harvest of righteousness and peace for those who have been trained by it. Hebrews 12:11*

*If any person is over-taken in misconduct or sin of any sort, you who are spiritual—who are responsive to and controlled by the Spirit—should set him right and restore and reinstate him, without any sense of superiority and with all gentleness, keeping an attentive eye on yourself, lest you should be tempted also. Galatians 6:1*

2. *Affirmation of diversity.* The University recognizes the influence that diversity has in shaping the unique contributions of community members. The University is committed to affirming these contributions and creating opportunities for synergistic reasoning and insights. This commitment is based on a belief that community members should be able to maintain their unique distinctiveness while sharing mutual respect and dignity for the experiences and beliefs of others. Consistent with its educational objectives, the University refrains from endorsing or permitting conduct deemed to be in conflict with biblical principles or expressions of non-Christian religious worship or ceremony on University premises or at University-sponsored gatherings.

If the charges are not admitted and/or cannot be disposed of by mutual consent, the Student Discipline Administrator may later serve in the same matter as the Student Discipline Board or a member thereof. The Student Discipline Administrator may be released from the aforementioned mandate where deemed possible if the student has exposed the violation on his or her own with the intention of reconciling himself or herself to the community and submitting to structures of support and accountability.

5. *Disciplinary holds.* The Associate Vice President for Student Life places a “hold” with the Office of the Registrar preventing subsequent enrollment when a student is suspended, dismissed, or expelled from the University. A permanent record of the disciplinary action is noted in the student’s academic record.

2. *Conditions for appeal.* Except as required to explain the basis of new information, an appeal shall be limited to a review of the verbatim record of the Student Discipline Board Hearing and supporting documents for one or more of the following purposes:
  - a. To determine whether the Student Discipline Board Hearing was conducted fairly in light of the charges and information presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and to present information that the Student Code was violated, and giving the Accused Student a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results.
  - b. To determine whether the decision reached regarding the Accused Student was based on substantial information, that is, whether there were facts in the case that, if believed by the fact finder, were sufficient to establish a violation of the Student Conduct Code occurred.
  - c. To determine whether the sanction(s) imposed were appropriate for the violation of the Conduct Code which the student was found to have committed.
  - d. To consider new information, sufficient to alter a decision or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original Student Discipline Board Hearing.
3. *Bringing closure to an appeal.* The Appellate Board's opinion and recommendations for subsequent action are submitted to the Appellate Administrator to inform his/her final judgment. If an appeal is upheld by the Appellate Administrator, the matter shall be returned to the original Student Discipline Board and Student Discipline Administrator for re-opening of Student Discipline Board Hearings to allow reconsideration of the original determination and/or sanction(s). In consultation with the Student Discipline Administrator, the Appellate Administrator may elect to institute alternative sanctions that might be perceived as either more lenient or severe. If an appeal is set aside, the matter shall be considered closed and binding upon all involved. The Appellate Administrator will notify the student in writing of the decision.
