I. Policy Statement

Houston Baptist University (HBU) is committed to providing a positive learning and working environment free from discrimination. In support of this commitment, HBU prohibits discrimination and harassment on the basis of age, race, color, religion, sex, national origin, ethnic origin, disability, genetic information, covered veteran status, and any other basis protected by law. Discrimination and harassment are incompatible with HBU's mission to provide a learning experience that instills in students a passion for academic, spiritual, and professional excellence as a result of our central confession, "Jesus Christ is Lord", and can threaten the educational experience, careers and well-being of members of the HBU community, including staff, faculty, students, and visitors.

The Chief Financial Officer/Chief Operations Officer (CFO/COO) is the Title IX Coordinator, as well as the Equal Opportunity/Affirmative Action Officer, and is the person designated by the University to coordinate its efforts to comply with and to carry out its responsibilities under Title IX of the Education Amendments of 1972 (Title IX), The Age Discrimination Act of 1975, and other equal opportunity and affirmative regulations and laws, and is responsible for overseeing and in administering this policy. Inquiries about HBU's policies and compliance with Title IX, The Age Discrimination Act of 1975, or the aspects of HBU's equal opportunity or affirmative action programs should be directed to:

Sandra N. Mooney
Chief Financial Officer/Chief Operations Officer
Houston Baptist University
7502 Fondren Road
Houston, TX 77074
281-649-3256
titleix@hbu.edu

The Title IX Coordinator, or their designee, can provide information about HBU's policies regarding Title IX, and will ensure that such complaints are addressed by the appropriate University officials. The Title IX Coordinator will assist the parties in receiving support services and will facilitate any interim measures during the investigation. For additional information or inquiries regarding Title IX, you may also visit http://wdcrobcolp01.ed.gov/CFAPPS/OCR/contactus.cfm for the address and phone number of the U.S. Department of Education office that serves your area, or call 1-800-421-3481.

The Dean of Student Success, the Director for the Testing and Disability Services, and the Director of Human Resources are the persons designated by the University to coordinate its efforts to comply with and carry out the responsibilities under Section 504 of the Rehabilitation Act of 1973 (Section 504). A qualified individual with a disability who desires assistance within the University to seek a reasonable accommodation may contact the following:

For students:

Director, Testing and Disability Services
Houston Baptist University
7502 Fondren Road
Houston, TX 77074
281-649-3647
504@hbu.edu

For employees:

Director, Human Resources
Houston Baptist University
7502 Fondren Road
Houston, TX 77074
281-649-3321

III. Prohibited Discriminatory Conduct

HBU prohibits discrimination, harassment, sexual misconduct and retaliation, as defined herein, and complaints alleging conduct in violation of this policy may be pursued using the grievance procedures outlined below.

A. Discrimination is conduct that excludes an individual from participation in, or denies an individual the benefits of, employment, education, or participation in a University program or activity, or conduct that otherwise adversely affects a term or condition of an individual's employment, education, or participation in a University program or activity, based on an individual's age, race, color, religion, sex, national origin, ethnic origin, disability, genetic information, covered veteran status, or any other basis protected by law. This includes failing to provide reasonable accommodation, consistent with state or federal law, to qualified individuals with disabilities.

   For purposes of this policy, gender expression means the way in which one expresses one's gender identity in terms of behavior, appearance, speech and movement.

B. Harassment is prohibited by this policy if it is based on an individual's age, race, color, religion, sex, national origin, ethnic origin, disability, genetic information, covered veteran status, or any other basis protected by law. Harassment can be verbal, visual, physical or communicated in

IV. Mandatory Reporting of Sexual Harassment, Sex -Based Discrimination and Sexual Misconduct Involving Stu dents

All University employees must promptly report information they have about alleged or possible sexual harassment, sex-based discrimination or sexual misconduct involving students to the Title IX Coordinator, except employees who are statutorily prohibited from reporting such information, including licensed health-care professionals and members of the clergy. Upon receiving the information, the Title IX Coordinator will evaluate the information and determine what other actions should be taken.

V. Confidentiality

iaicra l2 mr o the clye ķcting ie
HBU will endeavor to keep the identity of a complainant and information learned in the investigation of a complaint confidential if requested. However, HBU cannot guarantee confidentiality for example, where it would conflict with the University's obligation to investigate meaningfully, take corrective action, comply with the intent of this policy, or fulfill its legal obligations.

Students should be aware that employees of HBU may have an obligation to report incidents to the Title IX Coordinator. Students who want information about an incident to remain ' ample, y ' ay yesh to

Mrcrcjm A p

oôcplai ant ^cs th
mpeAMa m a Ït ae

B. Resolution
For the pr ocedures for resolving a complaint against a student, see the Code of Student Conduct.

Upon receipt of a complaint or report alleging conduct in violation of this policy, HBU will take prompt and equitable action consistent with University policy, applicable laws and regulations. If

At any time during the informal process, either party, as well as the Title IX Coordinator or his/her designee, can cease the informal process and invoke the formal resolution process.

3. Formal Process and Resolution

Step 1: If the formal resolution process is invoked, the Title IX Coordinator or his/her designee will provide information to the complainant and respondent about the policy and procedures and will also consider whether interim measures are deemed appropriate under the circumstances.

Step 2: The Title IX Coordinator or his/her designee responsible for handling the complaint (including but not limited to the Deputy Title IX Officers), as applicable, may personally conduct a fair and impartial investigation of the alleged policy violations, or he/she may designate one or more impartial investigators from a pool of trained, full-time employees to conduct the investigation. The University may also hire an outside investigator to conduct the investigation when deemed appropriate. All HBU community members are required to cooperate in an investigation.

During a formal investigation, the investigator(s) will attempt to interview both the complainant and the respondent. The complainant and the respondent may each consult with a collegial or professional support person/advisor (Advisor). The complainant may have their Advisor attend their interview, and the respondent may have their Advisor attend their interview. If either party selects an attorney as the Advisor, the party should provide the investigator(s) responsible for investigating the complaint at least one week's notice before any meeting or interview the Advisor will attend. The Advisor does not participate directly nor make any type of representation or argument during any meeting or interview in which the Advisor is present. The investigation may also include interviews with other witnesses and other information collection. If the Title IX Coordinator or his/her designee is aware of information that is relevant to the investigation, this information may be provided to the investigator(ti" ti m roy
